Professional Summary

Creative and detail-oriented Email Developer, UI/UX Designer, and Graphic Designer with 3+ years of experience in responsive email development, landing page design, marketing creatives, branding, packaging design, and digital marketing assets. Skilled in HTML, CSS, Salesforce Marketing Cloud, Netcore, Mailchimp, Figma, and Adobe Photoshop. Experienced in transforming design concepts into responsive emails and user-friendly digital experiences.

Experience

Email Marketing Designer & Developer

Think Wide Web | 2024–2026

- Designed email layouts and user interfaces in Figma/Photoshop based on campaign requirements.
- Developed **responsive HTML email templates** using table-based coding for Gmail, Outlook, and Yahoo compatibility
- Performed cross-client testing and debugging to ensure 100% rendering consistency
- Executed and scheduled campaigns via **Salesforce & Netcore**
- Optimized email performance for better **open and click-through rates**
- Reduced rendering issues by **30%** through cross-client testing

Creative Graphic and Ui Designer

The Go-To Guy Agency | 2023–2024

- Created social media creatives, branding materials, brochures, flyers, and website layouts for multiple clients.
- Designed engaging visual content for Facebook, Instagram, LinkedIn, and other digital platforms.
- Collaborated with marketing teams to align creative assets with campaign goals. Planned, scheduled, and managed social media content calendars.
- Delivered creative solutions aligned with brand guidelines and client expectations. Converted UI designs into responsive web layouts
- Worked on Reach, Traffic, Engagement, and Conversion campaigns to improve brand visibility and lead generation.

Graphic Production Designer

Inlife Pharma | 2022–2023

- Created product mockups, labels, cartons, and packaging designs for pharmaceutical products.
- Demonstrated strong knowledge of CMYK and RGB color modes, color correction, and print production standards.
- Created marketing creatives for Amazon, Flipkart, and FirstCry
Collaborated with teams to deliver high-quality B2B design solutions

Key Highlights

- Strong expertise in **responsive email development** (mobile-first approach)
- Hands-on experience with **marketing automation platforms**
- Ability to convert **designs into clean, scalable code**
- Experienced in UI/UX design, branding, and digital marketing creatives
